Attendance is required

Attendance is crucial to a dancer’s development. Synergy tracks attendance and takes this into consideration when making team placements at the end of the year. Dancers are encouraged to make-up the ballet and techniques classes they miss. The office can assist you with finding a good option.

How to make-up a class

- Find a class that works with your schedule (see website schedule)
- Visit the office BEFORE you attend the class to inform us which class you will be coming to.
- NO more make up cards.... Yay! The teacher will be informed on their roll that they are attending this make up class.

******Please make up any missed ballet and/or technique classes within 2 months of missing the class******

PLEASE put all their belongings in the cubbies!!
